1. ABOUT PV7-PROVAHAN

PV7-Provahan is a technology-driven company transforming India's used vehicle industry. Built on extensive expertise in the automobile sector, the company offers a smart, secure, and seamless digital platform for buying, selling, and managing pre-owned vehicles.

Its comprehensive ecosystem includes:

- Verified vehicle listings
- Instant loan integration
- Insurance integration
- Vehicle inspections
- Vehicle history verification
- Spare parts marketplace
- Dealer support solutions

PV7-Provahan simplifies vehicle ownership through innovation, transparency, and customer-centric digital experiences.

The platform serves individual users, dealerships, and businesses across India.

2. COMPANY OVERVIEW

PV7-Provahan recognizes that every customer journey is unique. The company begins by understanding customer requirements and then designs intuitive digital experiences that inspire trust and deliver measurable value.

Whether users are:

- First-time sellers
- Experienced dealers
- Individual buyers
- Commercial vehicle owners

PV7-Provahan provides the tools required to buy, sell, finance, insure, verify, and manage vehicles efficiently.

The company is redefining mobility in India through advanced technology, data intelligence, and customer-centric design.

3. WHY PV7-PROVAHAN STANDS APART

PV7-Provahan is more than a marketplace.

The company combines real-world automobile expertise with cutting-edge digital solutions to solve long-standing challenges in the used vehicle ecosystem.

Problems addressed include:

- Unreliable vehicle listings
- Complex paperwork
- Limited financing access
- Insurance difficulties
- Lack of transparency
- Difficulty accessing spare parts

Core values:

- Trust
- Transparency
- Innovation
- Customer-first approach
- Seamless mobility

PV7-Provahan believes mobility represents freedom, opportunity, and trust.

4. MISSION

To transform India's used vehicle ecosystem into a trusted, transparent, and paperless digital marketplace.

PV7-Provahan is committed to simplifying buying, selling, financing, and insuring vehicles through innovation and integrity.

The company aims to empower individuals and businesses with safer, smarter, and more seamless mobility experiences.

5. VISION

PV7-Provahan envisions a future where mobility is accessible to everyone and acts as a catalyst for growth and progress.

The company aims to build India's most comprehensive mobility ecosystem integrating:

- Vehicle discovery
- Vehicle verification
- Finance
- Insurance
- Inspections
- Spare parts

under one intelligent digital platform.

PV7-Provahan aspires to become the cornerstone of India's mobility revolution.

6. LEADERSHIP TEAM

A. Syed Moosa
